

COASTAL

MECHANICAL & RIGGING

PRECISION IN MOTION.

CAPABILITIES BROCHURE

Turnkey installation, deinstallation,
rigging and logistics for medical imaging
and biomedical projects nationwide.

SAFETY | SKILL | INTEGRITY

On time. On budget. Project-ready.

ISO 9001:2015 CERTIFIED

757-390-8330 | coastalhcs.com

ONE TEAM. COMPLETE PROJECT CONTROL.

Moving critical equipment with zero downtime - from planning through final sign-off.

NATIONWIDE SUPPORT | MEDICAL IMAGING EXPERTISE | QUALITY-DRIVEN EXECUTION

CORE CAPABILITIES

Medical Machinery Moving

Imaging, surgical and lab systems moved room to room or state to state by one team.

Installation & Deinstallation

Documented disassembly, setup, leveling and OEM-ready final placement.

Specialized Rigging

Engineered lift plans, rated gear, route protection and precision positioning.

Heavy & Specialty Machinery

Chillers, boilers, generators, switchgear, linacs, robotics and lab systems.

Warehousing & Logistics

37,000 sq ft climate-controlled storage, barcoded inventory and air-ride fleet.

Import, Export & Overseas Crating

Custom crating, blocking, bracing, documentation and overseas logistics preparation.

Consulting & Project Management

Feasibility, route surveys, written sequencing and single-source accountability.

EQUIPMENT EXPERTISE

- MRI, CT and PET/CT systems
- Cath Labs and R&F rooms
- Radiographic and mobile X-ray
- Nuclear Medicine and mammography
- Bone Density, ultrasound and C-Arms
- Linacs, robotics and laboratory systems
- Surgical, biomedical and facility equipment

WHY COASTAL

- Experienced, trained medical equipment technicians
- OSHA-trained crews with documented lift plans
- Company-owned fleet of vehicles and specialized equipment
- ISO 9001:2015 certified; fully insured and bonded
- 24/7 emergency response plus night and weekend windows
- One team, one contact and one invoice from survey to sign-off

CLIENTS WE SERVE

- Major OEM Manufacturers
- ISO Organizations
- Hospitals
- Imaging Centers
- Data Centers
- Laboratories
- Industrial Production Facilities
